This is marvelous investment on a big piece of plot in a residential area. The plot is 588 sqm with density of 90%, a coverage of 50% and a maximum height allowance of 8.3 meters which means 2 floors. This amazing plot is located on a quiet and safe residential area in Pervolia, which is a modern village with all amenities within and with very small distances to the beach, the city center and the high way. The zone code is H2 and it offers provisions of water, electricity and telecommunication. This is a must see property of great potential.
