Rising above the marina on the east side, visible from land and sea.

The project is located at the commercial hub of the marina offering a vibrant and bustling environment for residents and guests. Its spacious lobby has an undulating sculptural ceiling soaring 12 meters above the floor and is surrounded by an all-glass exterior curtain wall with structural glass mullions. This allows an abundance of natural light to flow in and offers a direct view of the commercial area and Event Centre. Each of the 95 spacious apartments is uniquely shaped to ensure that all living spaces, including bedrooms, are oriented toward the water and beaches – with modern, open plan designs maximizing the daylight and views. The living rooms have full height glass doors that open wide to extend the living area out onto the covered veranda. The apartments are ranging from a mix of 1, 2, 3 or 4 - bedroom residences. Residents of the three radiused-end apartments enjoy 180-degree views. Just steps away from their front door, residents can enjoy the tower's wide array of services and facilities. These include an expansive amenity deck, located on the 3rd floor, overlooking the marina and the sea with an infinity edge pool, cabanas, and an outdoor bar. Fitness facilities and a 400m² spa are also available for recreation and relaxation.
